

Become a Member!

SBUR advances and promotes the knowledge of basic scientific research in the field of urology by fostering interdisciplinary communication across a broad array of researchers and urologic topics. We invite you to join and be a part of this well-established community.

Visit **SBUR.org**
to join today!

Membership Benefits

- International Network of Experts
- Outstanding Scientific Meetings
- Eligibility for prestigious SBUR awards
- Grant Funding Resources
- Leadership Opportunities
- Collaboration Opportunities

Previous Meeting Topics

Metabolic and Inflammatory Alterations in Urologic Diseases

Non-Coding RNAs in Urologic Malignancies

The Environment-Gene Interface in Urologic Health and Disease

Stem Cells in Urologic Organs and Therapeutic Opportunities

Omics in Urologic Research – New Frontiers Driving Precision Medicine

Urologic Disease Heterogeneity – Requiring a Multidisciplinary Research Approach

“SBUR has provided me irreplaceable national leadership opportunities in urological research very early in my career, such as national meeting organization, committee memberships, and invited lectureships.” – Travis J. Jerde, PhD, Associate Professor of Pharmacology & Toxicology, University of Indiana School of Medicine

Membership Categories

Active Member – Annual Dues \$95

In-Training Member – Annual Dues \$50

Lifetime Member – One-time Dues Fee \$2,375

Membership – Professionals

Molecular Biologists

Immunologists

Epidemiologists

Physiologists

Andrologists

Oncologists

Biochemists

Clinical Urologic Scientists from Academia, Industry, and Government

Membership – Expertise

The Study of Urologic Cancers (Prostate, Bladder, Kidney, Testis, Penis)

The Biology of Prostate Growth, Kidney and Bladder Function

Autoimmune Urologic Diseases

Infectious Diseases

Neurologic Diseases

Male Reproductive Biology

Infertility

Erectile Dysfunction

How to Join

Complete the online application at www.sbur.org
