

## **SBUR Committee Descriptions & Standard Operating Procedures**

*June 10, 2019*

### **Trainee Affairs Committee:**

The committee consists of SBUR faculty and two trainees (selected from applicants). The committee holds 1-3 conference calls per year, mainly to plan the Trainee Affairs Symposium at the annual meeting (Speakers, topics, social ideas). We are primarily looking for trainee input regarding important topics, networking with other trainees (at meeting and social media), and social planning to increase trainee engagement with faculty and other trainees. The selected members will begin their one year term after the annual meeting in November.
